Dear Tim

We would like to express our thanks and complete satisfaction with the service you and your staff provided us in registering our company.

Your services were delivered with the highest degree of efficiency and professionalism and within the predetermined time constraints, for a very fair and reasonable fee.

It was reassuring and greatly appreciated that you personally guided and advised us while providing us with an array of options and alternatives.

Your staff at your Gaborone office were outstanding and I would like to thank Ms. Habano in particular. She went out of her way to assist us from prearranging meetings with the bank on our behalf to assisting us with the purchase of cell phone sim cards. She ensured that the entire process of registering the company and opening bank accounts rolled over smoothly and without any delays or stress.

We look forward to a long and fruitful relationship with Companybw.com

Yours sincerely
